from Wikipedia: "El Choclo" (Spanish: meaning "the ear of corn" more accurately "The Corn Cob") is a popular song written by Ángel Villoldo, an Argentine musician. Allegedly written in honour of and taking its title from the nickname of the proprietor of a nightclub, who was known as El Choclo. It is probably one of the most popular tangos in Argentina. The piece was premiered in Buenos Aires, Argentina, in 1903.
